

CALL FOR APPLICATIONS

India | EMBO Symposia

APPLICATION DEADLINES: 15 FEBRUARY AND 15 JULY 2017

The Wellcome Trust/DBT India Alliance and EMBO are looking to fund interdisciplinary meetings that cover the latest developments in research areas underserved in India.

Eligibility

- India | EMBO Symposia must take place in India, but scientists from anywhere in the world are eligible to apply, independent of their nationality.
- India | EMBO Symposia must cover frontier, pioneering and interdisciplinary areas of life sciences that are underserved in India, and include speakers with interdisciplinary expertise. Furthermore, the application should include a list of (mostly) confirmed speakers.

For detailed information on the eligibility criteria, including the format of the meeting, please visit India | EMBO Symposia website.

Funding

The maximum funding available for an India | EMBO Symposia is 60,000 euros.

Application process

Applications for India | EMBO Symposia will be accepted twice in 2017 and must be submitted through the [online system](#). Organizers should apply at least 6-12 months before the proposed date of the meeting.

- Applicants will be asked to complete an [online](#) and an [offline application form](#).
- All incoming applications are screened to ensure eligibility requirements are met.
- The decision on which proposals receive funding is jointly made by the EMBO Course Committee and the India Alliance Meetings Committee in May and October.
- All applicants are informed of the outcome of their application by email shortly after the committee meetings.

For detailed information on the application process, key dates, format of the meeting and required documentation, please consult the [application guidelines](#) or visit [India | EMBO Symposia](#) website.
