Organization

The Institute of Trans-Disciplinary Health Sciences and Technology (the Trans-Disciplinary University) was established as an innovation centered University in 2013 through an Act of Legislature of Government of Karnataka focusing on transdisciplinary studies.

The University offers its programmes using most advanced, responsive and contemporary curriculum designed by national and international experts that is imparted through modern education and learning tools making it a truly experiential learning.

Currently, the University is inviting applications from qualified candidates for positions listed below.

Details of job description, qualification and experience required can be found at www.tdu.edu.in

Interested candidates can send their resumes to careers@tdu.edu.in by **10 May 2017** with the subject line indicating the position applied for.

TDU is an equal opportunity employer and encourages women candidates to apply.
