

## Workshop on Science Writing

7 to 12 August 2017, Bengaluru

*Current Science*, an interdisciplinary journal, endeavours to make scientific advance accessible to all interested in science. To build the capacity of scientists and researchers in India to write science in a manner that is understandable even to non-specialists, a one-week Science Writing Workshop will be organized by *Current Science*.

The Workshop will be residential and will be held in Bengaluru from 7 to 12 August 2017 (Monday to Saturday).

It will be preceded by a month-long Virtual Workshop, followed by a two-week online mentoring.

Applications are invited from interested research fellows, faculty in Indian universities, and scientists of research institutes.

### Participant profile:

- Master's or Ph.D. degree in any branch of science.
- Proficiency in spoken and written English desired.
- Knowledge in working with word processors and internet browsers.

Only Fifteen persons will be selected for the Workshop in a batch.

**Registration fee** (for selected candidates): Rs 10,000 (to be paid on selection).

The details of the workshop and the application form are available at

<http://bit.ly/2qt7Vs0>

Last date for receiving applications: **30 May 2017**

Announcement of selected candidates: **10 June 2017**

Last date for receiving registration fee: **20 June 2017**
