

CURRENT SCIENCE

Volume 113 Number 1

10 July 2017

6 In this issue

GUEST EDITORIAL

- 7 An obsession with numbers: quantifying quality**
N. Sathyamurthy

CORRESPONDENCE

- 9 Video-chatting with young children**
Savita Yadav and Pinaki Chakraborty

- 9 Artificial borders in science and nations**
Suvendra Kumar Ray

NEWS

- 10 Science Last Fortnight**

- 14 Many-electron theory**
Sourav Pal

- 15 National Conference on Technology Vision**
Harikrishnan Thambi

OPINION

- 17 Yes, Indian science does need a revamp, but how should we go about it?**
Gautam I. Menon

COMMENTARY

- 18 Science, profit and innovation**
Sumit Bhaduri

SCIENTIFIC CORRESPONDENCE

- 21 Energy harnessing routes of rice straw**
S. Mandal, T. K. Bhattacharya and H. R. Tanna

- 24 Non-indigenous sea slug *Tenellia adspersa* in the southeast coast of the Arabian Sea, India**
A. M. Dhanya, R. Jeyabaskaran, D. Prema, S. Chinnadurai, K. S. Abhilash, K. K. Sajikumar and V. Kripa

TECHNICAL NOTE

- 27 Indian Plant Virus Database – a platform for showcasing research on plant viruses in India**
A. I. Bhat, Agath Martin, Arun John, Neethu Isaac and S. J. Eapen

GENERAL ARTICLE

- 30 Population implosion and the model of cavitation applied to demography**
Gheorghe Săvoiu and Ion Iorga Simăn
-

REVIEW ARTICLES

- 35 **Insights into the mechanism of lignocellulose degradation by versatile peroxidases**
Aarthi Ravichandran and Manpal Sridhar
- 43 **Transgenics in ornamental crops: creating novelties in economically important cut flowers**
Rishu Sharma and Yalek Messar

RESEARCH ARTICLES

- 53 **Spatio-temporal organization and biomass dynamics of plant communities in a dry tropical peri-urban region: deterministic role of alien flora in anthropo-ecosystems**
Shachi Agrawal and Rup Narayan
- 63 **A 'six-step-strategy' to evaluate competence of plant growth promoting microbial consortia**
N. Mishra and S. Krishna Sundari
- 71 **Metagenomic analysis of total microbial diversity and antibiotic resistance of culturable microorganisms in raw chicken meat and mung sprouts (*Phaseolus aureus*) sold in retail markets of Mumbai, India**
Onkar A. Naik, Ravindranath Shashidhar, Devashish Rath, Jayant R. Bandekar and Archana Rath
- 80 **Developing sustainable models of arsenic-mitigation technologies in the Middle-Ganga Plain in India**
Sushant K. Singh, Robert W. Taylor and Haiyan Su
- 94 **Impact of domestic and industrial effluent discharge on the tank ecosystem in Pallipattu block, Tamil Nadu, India**
J. Hemamalini, B. V. Mudgal and J. D. Sophia
- 103 **An updated account of mammal species and population status of ungulates in Keoladeo National Park, Bharatpur, Rajasthan**
Aakriti Singh, Aditi Mukherjee, Sumit Dookia and Honnavalli Nagaraj Kumara

-
- ## RESEARCH COMMUNICATIONS
- 112 **SWIR albedo mapping of Mars using Mars Orbiter Mission data**
Ramdayal Singh, Manoj K. Mishra and Prakash Chauhan
- 116 **Fracture behaviour of fibre reinforced geopolymer concrete**
S. Sundar Kumar, K. C. Pazhani and K. Ravisankar
- 123 **Vulnerability of dairy-based livelihoods to climate variability and change: a study of Western Ghats region in Wayanad, Kerala**
Aparna Radhakrishnan and Jancy Gupta
- 130 **Anatomy and functional status of haustoria in field grown sandalwood tree (*Santalum album* L.)**
D. Rocha, P. K. Ashokan, A. V. Santhoshkumar, E. V. Anoop and P. Sureshkumar
- 134 **Estimation and validation of actual evapotranspiration for wheat crop using SEBAL model over Hisar district, Haryana, India**
Anju Bala, Prakashkiran S. Pawar, Anil Kumar Misra and Kishan Singh Rawat
- 141 **Numerical simulation of air-core vortex at intake**
Behrouz Khadem Rabe, Seyyed Hossein Ghoreishi Najafabadi and Hamed Sarkardeh

- 148 **New method for discharge hydrograph measurement of the free overflow with full-width, thin-plate weir**
Lajos Hovany
- 154 **Modulation of midgut peritrophins' expression during *Plasmodium infection* in *Anopheles stephensi* (Diptera: Culicidae)**
V. Venkat Rao, Surendra Kumar Kolli, Shruti Bargava and R. K. Chaitanya
- 161 **An assessment of crop damage and economic loss caused by elephants in Harohalli and Kodihalli ranges of Bannerghatta National Park, Karnataka, India**
G. V. Venkataramana, Sreenivasa and H. G. Lingaraju
-

BOOK REVIEWS

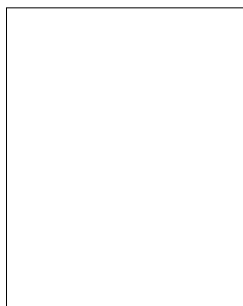

- 168 **Annual Review of Cell and Developmental Biology, 2016**, Randy Schekman, Larry Goldstein and Ruth Lehmann (eds), *reviewed by* R. Nagaraj
- 170 **Where the River Flows: Scientific Reflections on Earth's Waterways** by Sean W. Fleming, *reviewed by* Sudhirendar Sharma
-

PERSONAL NEWS

- 171 **K. Chandrasekharan (1920–2017)**
M. S. Narasimhan
-

HISTORICAL NOTES

- 173 **Records of sighting of Halley's Comet in the 1531 apparition and an eclipse in Guru Nanak's references**
R. C. Kapoor
-

◀ COVER. Non-indigenous sea-slug *Tenellia adspersa*. See page 24.
