

Form

B&C

Biological Diversity Act 2002

■ Do you intend to carry / send Biological Resources outside India for non-commercial Research?

If you are an Indian researcher or a Govt. Institution then you are eligible.

- Apply in Form-B
- No application fee
- Within 45 days, application will be decided.

Government Institution alone can send biological resources outside India to carry out certain urgent studies to avert emergencies like epidemics, etc.

■ Do you intend to deposit microorganisms in foreign repositories to claim novel species for publication?

Who has to apply?

- Indian Researchers
- Apply in Form - C
- No approval required
- Only intimation to NBA

It's a obligation of the applicant to provide Indian repository's accession number to NBA.
